

PROPERTY DEVELOPER PROFILE

ADVERTORIAL

Tennyson

This grand \$555 million project on the banks of the Brisbane River incorporates the new State Tennis Centre and a premium residential precinct, Tennyson Reach.

Farringford Apartments is the development's second stage, and is now for sale.

The 11-storey building with 92 apartments is centrally located close to the main tennis arena and landscaped plaza, and offers views of the Brisbane River, Indooroopilly and Mt Coot-tha.

At completion, Tennyson Reach will feature

393 apartments in six buildings, parks, paths and bikeways and public access to the river.

The tennis centre, due to be completed at the end of this year, has 23 international-standard courts for community use. Residents will have access to the private gymnasium, lap pool, cafe and restaurant.

To date, 25 per cent of the accommodation in stage two has sold. Only a few pavilion and penthouse apartments remain for sale. Prices range from \$2.25 million to \$3.65 million.
